## **New eForms Launched**

In line with the plan for government services to be accessible anywhere 24 hours a day, 5 eforms have been launched. This is part of the ongoing renewal process for the Public Service, leading to reduced bureaucracy, increased efficiency, government services brought closer to the community, and a service of a higher quality delivered to clients of the Public Service. The new Eforms are related to:

**Research Request - Dissertation** - Students who would like to carry out research within Aġenzija Sapport for dissertation purposes, i.e. collect data from Aġenzija Sapport staff members and/or service users. They are to contact the Aġenzija Sapport Research Office, since approval to conduct any research must first be obtained.
